

1. Record Nr.	UNINA9910455352203321
Autore	Reader John
Titolo	Potato [[electronic resource]] : a history of the propitious esculent / / John Reader
Pubbl/distr/stampa	New Haven, : Yale University Press, 2009
ISBN	1-282-35174-5 9786612351747 0-300-15399-6
Descrizione fisica	1 online resource (336 p.)
Altri autori (Persone)	Reader John
Soggetti	Potatoes Potatoes - History Food crops Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references (p. 293-305) and index.
Sommario/riassunto	<p>The potato humble, lumpy, bland, <i>familiaris</i> a decidedly unglamorous staple of the dinner table. Or is it? John Readers narrative on the role of the potato in world history suggests we may be underestimating this remarkable tuber. From domestication in Peru 8,000 years ago to its status today as the worlds fourth largest food crop, the potato has played a starring or at least supporting role in many chapters of human history. In this witty and engaging book, Reader opens our eyes to the power of the potato. Whether embraced as the solution to hunger or wielded as a weapon of exploitation, blamed for famine and death or recognized for spurring progress, the potato has often changed the course of human events. Reader focuses on sixteenth-century South America, where the indigenous potato enabled Spanish conquerors to feed thousands of conscripted native people; eighteenth-century Europe, where the nutrition-packed potato brought about a population explosion; and todays global world, where the potato is an essential food source but also the worlds most chemically-dependent crop. Where potatoes have been adopted as a staple food, social change has</p>

always followed. It may be just a humble vegetable, John Reader shows, yet the history of the potato has been anything but dull.
