Sommario/riassunto

What can schools and social care workers do to help children affected by domestic violence? Large numbers of children are affected by domestic violence. The problem crosses every social class and culture. It causes distress and anxiety in children and adversely affects their learning and play, as well as their behaviour, wellbeing and attendance. Education staff may know of a child or family in crisis, want to help, yet feel outside their comfort zone, grappling with a complex issue not covered in their training. This book describes the impact of domestic violence on children an
