Sommario/riassunto	Today's schools are subject to increasing demand and constraint; their work is more complex and fast changing than ever before; politicians and press demand quick fixes. This book paints the picture of a new integrity for our schools as they face a challenging future. Themes addressed include:* schools as places of learning and integrity* the

curriculum\* family, child and intercultural perspectives\* community relations\* policy and governance. The authors demonstrate how a connected approach is necessary if schools are to hold themselves together and play a key r
