Sommario/riassunto	Anyone who wishes to learn to speak Romani, a language made up of many dialects and spoken by Gypsy and Roma people throughout the world, will find this scholarly bibliography essential to their studies. Intended to be as accessible as possible, this thorough guide is not bogged down in linguistic technicalities, and the author's informed comments on the entries enable students of Romani to decide for themselves which materials best suit their purposes. The material has been arranged logically with a broad scope and user-friendly commentaries. Additional information details print and onli
