

1. Record Nr.	UNINA9910455669503321
Titolo	Protecting the space shuttle from meteoroids and orbital debris [[electronic resource] /] / Committee on Space Shuttle Meteoroid/Debris Risk Management, Aeronautics and Space Engineering Board, Commission on Engineering and Technical Systems, National Research Council
Pubbl/distr/stampa	Washington, D.C., : National Academy Press, 1997
ISBN	1-280-18714-X 9786610187140 0-309-56922-2 0-585-14944-5
Descrizione fisica	1 online resource (70 p.)
Collana	The compass series Reducing the costs of space science research missions
Disciplina	629.4/16
Soggetti	Space shuttles Space debris Meteoroids Risk management Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references.
