

1. Record Nr.	UNINA9910455691503321
Titolo	GCIP, global energy and water cycle experiment (GEWEX), continental-scale international project [[electronic resource]] : a review of progress and opportunities / / Global Energy and Water Cycle Experiment (GEWEX) Panel, Climate Research Committee, Board on Atmospheric Sciences and Climate, Commission on Geosciences, Environment, and Resources, National Research Council
Pubbl/distr/stampa	Washington, D.C., : National Academy Press, 1998
ISBN	0-309-52413-X 0-585-00182-0
Descrizione fisica	1 online resource (112 p.)
Disciplina	551.48
Soggetti	Climatic changes Hydrologic cycle Energy budget (Geophysics) Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references (p. 70-77).
Nota di contenuto	""Front Matter""; ""Foreword""; ""Preface""; ""Acknowledgment of Reviewers""; ""Contents""; ""Executive Summary""; ""Introduction""; ""1 Water and Energy Cycles""; ""2 Coupled Land-Atmosphere Models""; ""3 Data Assimilation ""; ""4 Data Collection and Management""; ""5 Application to Water Resources""; ""References""; ""APPENDIX A Background and Linkages""; ""APPENDIX B Acronyms and Abbreviations""
