Nota di contenuto	Introduction -- Maryland's raison d'etre -- Private lives -- Religion in the new world -- Women and religion -- Religion, property, and the family -- Free will Christian women's public authority -- Conclusion.
Sommario/riassunto	Religious conflicts had a pronounced effect on women and their families in early modern England, but our understanding of that impact is limited by the restrictions that prevented the open expression of religious beliefs in the post-Reformation years. More can be gleaned by shifting our focus to the New World, where gender relations and family formations were largely unhampered by the unsettling political and religious climate of England. In Maryland, English Arminian Catholics, Particular Baptists,
