Continuation and Innovation in Narrative Literature of the Thirteenth Century 13. Didactic/Gnomic Literature of the Thirteenth and Fourteenth CenturiesIndex |
| Sommario/riassunto | A guide to mediaeval German literature from its beginnings in the eighth century to the 14th century. Chapters deal either with a chronological period, such as the 13th century, or with specific genres, such as drama. The development of the German language in the mediaeval period is also covered. |
