

1. Record Nr.	UNINA9910455881103321
Titolo	Applications of analytical chemistry to oceanic carbon cycle studies [[electronic resource] /] / Committee on Oceanic Carbon, Ocean Studies Board, Commission on Geosciences, Environment, and Resources, National Research Council
Pubbl/distr/stampa	Washington, D.C., : National Academy Press, 1993
ISBN	1-280-19597-5 9786610195978 0-309-59832-X 0-585-08554-4
Descrizione fisica	1 online resource (95 p.)
Disciplina	551.46
Soggetti	Chemical oceanography Chemistry, Analytic Carbon cycle (Biogeochemistry) Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references (p. 81-85).
