

1. Record Nr.	UNINA9910455885903321
Titolo	Microwave processing of materials [[electronic resource] /] / Committee on Microwave Processing of Materials: An Emerging Industrial Technology, National Materials Advisory Board, Commission on Engineering and Technical Systems, National Research Council
Pubbl/distr/stampa	Washington, D.C., : National Academy Press, 1994
ISBN	1-280-19578-9 9786610195787 0-309-58630-5 0-585-16857-1
Descrizione fisica	1 online resource (164 p.)
Collana	Publication NMAB ; ; 473
Disciplina	620.1/1228
Soggetti	Microwaves Materials - Effect of radiation on Microwaves - Industrial applications Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Study was conducted under contract no. MDA 972-92-C-0028 with the Department of Defense and the National Aeronautics and Space Administration.
Nota di bibliografia	Includes bibliographical references (p. 121-147).
