Sommario/riassunto	It's not easy being Todd Williams, a fourteen-and-a-half-year-old gay musical prodigy. The bullies, Bob and Ari, at his fancy private school make his life a living hell. Todd's drunken, irresponsible mother, Eddie, constantly embarrasses him and puts his artistic future in jeopardy. And now, his best friend, Jennifer, who plays clarinet with him in the orchestra, isn't speaking to him. Maybe Leroy, Todd's friendly poltergeist, knows what's going on with her. To top it off, he can no longer rely on Jennifer's help in the race to solve a puzzle that could lead to a buried treasure. Todd must learn to stand alone. He's finding out that growing up is far scarier than he ever imagined.
