Sommario/riassunto	To assess whether an initiative to reduce gun violence that had been successful in Boston could be adapted for use elsewhere, researchers selected an East Los Angeles area for a similar intervention that was to

include both law enforcement and social service components. Although the latter component was not widely available when the intervention began, researchers found that the intervention helped reduce violent and gang crime in the targeted districts and that crime also decreased in surrounding communities.

## Sommario/riassunto

Public and academic debate about 'porn culture' is proliferating. Ironically, what is often lost in these debates is a sense of what is specific about pornography. By focusing on pornography's mainstream - contemporary commercial products for a heterosexual male audience - Everyday Pornography offers the opportunity to reconsider what it is that makes pornography a specific form of industrial practice and genre of representation. Everyday Pornography presents original work from scholars from a range of academic disciplines (Media Studies, Law, Sociology, Psyc
