

1. Record Nr.	UNINA9910456070303321
Autore	Crnkovic Ivica
Titolo	Implementing and integrating product data management and software configuration management // Ivica Crnkovic, Ulf Asklund, Annita Persson Dahlqvist
Pubbl/distr/stampa	Boston : , : Artech House, , c2003 [Piscataway, New Jersey] : , : IEEE Xplore, , [2003]
ISBN	1-58053-685-9
Descrizione fisica	1 online resource (362 p.)
Collana	Artech House computing library
Altri autori (Persone)	AsklundUlf DahlqvistAnnita Persson
Disciplina	670/.285
Soggetti	Computer integrated manufacturing systems Concurrent engineering Management information systems Production control - Data processing Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Contents; Foreword; Preface; Chapter 1: Requirements of complex pro; Chapter 2: General description of PDM; Chapter 3: General description of SCM; Chapter 4: Comparison of technical principles and key functionality; Chapter 5: Analysis and general findings; Chapter 6: PDM and SCM integration; Chapter 7: Evaluation and deployment; Chapter 8: Case Studies; Chapter 9: A survey of PDM tools; Chapter 10: Survey of SCM tools; Chapter 11: Document management systems; Chapter 12: Standards and de facto standards in PDM and SCM; List of Acronyms; About the authors; Index
Sommario/riassunto	Because today's products rely on tightly integrated hardware and software components, system and software engineers, and project and product managers need to have an understanding of both product data management (PDM) and software configuration management (SCM). This groundbreaking book offers you that essential knowledge, pointing out the similarities and differences of these two processes, and showing you how they can be combined to ensure effective and

efficient product and system development, production and maintenance.
