

|                         |   |
|-------------------------|---|
| 1. Record Nr.           | UNINA9910456093203321   |
| Titolo                  | Toxicological effects of methylmercury [[electronic resource] /] /<br>Committee on the Toxicological Effects of Methylmercury, Board on<br>Environmental Studies and Toxicology, Commission on Life Sciences,<br>National Research Council  |
| Pubbl/distr/stampa      | Washington, DC, : National Academy Press, c2000   |
| ISBN                    | 1-280-18534-1<br>9786610185344<br>0-309-56970-2   |
| Descrizione fisica      | 1 online resource (368 p.)  |
| Disciplina              | 615.9/25663   |
| Soggetti                | Methylmercury - Toxicology<br>Electronic books.   |
| Lingua di pubblicazione | Inglese   |
| Formato                 | Materiale a stampa  |
| Livello bibliografico   | Monografia  |
| Note generali           | Description based upon print version of record.   |
| Nota di bibliografia    | Includes bibliographical references.  |
| Nota di contenuto       | ""Toxicological Effects of Methylmercury""; ""Copyright""; ""PREFACE"";<br>""Contents""; ""EXECUTIVE SUMMARY""; ""THE CHARGE TO THE<br>COMMITTEE""; ""THE COMMITTEE'S APPROACH TO ITS CHARGE""; ""THE<br>COMMITTEE'S EVALUATION""; ""Health Effects of Methylmercury"";<br>""Determination of the Critical Study for the RfD""; ""Estimation of Dose<br>and Biological Variability""; ""Modeling the Dose-Response<br>Relationships""; ""Public Health Implications""; ""RESEARCH NEEDS"";<br>""RECOMMENDATIONS""; ""1 INTRODUCTION""; ""SOURCES OF HG"";<br>""FATE AND TRANSPORT""; ""HEALTH EFFECTS""; ""EXPOSURE EVENTS<br>AND STUDIES""<br>""SUMMARY OF RISK ASSESSMENTS FOR MEHG""""SCIENTIFIC<br>CONTROVERSIES AND SOURCES OF UNCERTAINTY""; ""ORGANIZATION<br>OF THE REPORT""; ""REFERENCES""; ""2 CHEMISTRY, EXPOSURE,<br>TOXICOKINETICS, AND TOXICODYNAMICS ""; ""PHYSICAL AND<br>CHEMICAL PROPERTIES""; ""METHODS OF CHEMICAL ANALYSIS"";<br>""EXPOSURES TO MEHG IN THE U.S. POPULATION""; ""TOXICOKINETICS"";<br>""Absorption and Distribution""; ""Methylmercury"";<br>""Dimethylmercury""; ""Elemental Mercury""; ""Inorganic Mercury"";<br>""Biotransformation""; ""Excretion""; ""MOBILIZATION OF BODY HG""; |
