Chapter 9 Can communities develop their own system for protecting traditional resourcerights?Chapter 10 Are legally binding international agreements useful?; Chapter 11 How can communities use "soft law" and nonbinding international agreements?; Chapter 12 Are nongovernmental, nonlegal instruments useful?; Chapter 13 Why are funds and funding guidelines important?; Chapter 14 What creative strategies and unique solutions have been developed?; Chapter 15 Toward protection, compensation, and community de
Sommario/riassunto	In Beyond Intellectual Property, authors Darrell A. Posey and Graham

Dutfield listen and respond to this voice. They offer sound and reasonable advice on how indigenous peoples and local communities worldwide should approach and deal with the myriad of issues surrounding intellectual property and traditional resource rights. For indigenous peoples' groups, activists and policymakers in intellectual property, and all those concerned with the preservation of our planet's biological and cultural diversity, Beyond Intellectual Property provides an invaluable and eye-opening look into one of the mo
