Redistribution and Public Provision; Chapter 5. The Tax Base; Chapter 6. Progressivity; Chapter 7. Inheritance; Chapter 8. Tax Discrimination; Chapter 9. Conclusion: Politics; Notes; References; Index
Sommario/riassunto	In a capitalist economy, taxes are the most important instrument by which the political system puts into practice a conception of economic or distributive justice. This book aims to bring together the philosophical discussions of justice with the complex debates about tax policy that go on in practical politics, in economics, and in law.
