Sommario/riassunto	This book analyzes how, and under what conditions, African International Economic Organizations (IEO) have evolved, and what individual and collective contributions, if any, these African IEOs have had on Africa's socio-economic development. Providing a comprehensive and accessible overview, the book covers the continent's main IEOs, The United Nations Economic Commission on Africa, The African Development Bank; and The New Partnership for Africa's Development as well as the five major Regional Economic Communities, including Economic Community of West African States, and Southern Af
