Sommario/riassunto

Ständig wachsende Vielfalt der amerikanischen Literatur. Von den Puritanern bis zur Postmoderne beleuchtet das beliebte Standardwerk alle wichtigen Autoren und ihre Werke. Ausführliche Porträts der indianischen und der Chicano-Literatur, der afro-, jüdisch- und asiatisch-amerikanischen Literatur tragen dem für die Literatur Nordamerikas charakteristischen Phänomen der Multikulturalität Rechnung. Die 3. Auflage wurde um jüngste Entwicklungen ergänzt, wie z. B. die Literatur nach 9/11. Mit einem Kapitel zu Literaturkritik und feministischen Literaturstudien.
