| Sommario/riassunto | Worlds Apart: Acting and Writing in Academic and Workplace Contexts offers a unique examination of writing as it is applied and used in academic and workplace settings. Based on a 7-year multi-site comparative study of writing in different university courses and matched workplaces, this volume presents new perspectives on how writing functions within the activities of various disciplines: law and public administration courses and government institutions; management courses and financial institutions; social-work courses and social-work agencies; and architecture courses and architecture |
