Note generali	Description based upon print version of record.
Nota di contenuto	Tables; Acknowledgments; Introduction: Geopolitics of Knowledge and Coloniality of Power; part one: The Political Economy of Puerto Rico; part two: Puerto Rican Migration and the Caribbean Diapora in the United States; part three: Caribbean Colonial Migrants in Western Europe and the United States; Appendix; References; Index
Sommario/riassunto	Colonial Subjects is the first book to use a combination of world-system and postcolonial approaches to compare Puerto Rican migration with Caribbean migration to both the United States and Western Europe. Ramon Grosfoguel provides an alternative reading of the world-system approach to Puerto Rico's history, political economy, and urbanization processes.
