Sommario/riassunto	In Intent for a Nation, Michael Byers argues that it is time for a clear-eyed appreciation of our strengths and weaknesses, of all we have and all we could be. A whole series of world events-the waning of US credibility; the increasing value of natural resources; the brain-gain; the ever-increasing interdependence of peoples, countries and continents-have combined to put Canada center stage in a new world order. Instead of emulating our increasingly isolated neighbor, we should be advancing the Canadian model, an idealistic, fiscally prudent, socially progressive vision that has never looked s
