

1. Record Nr.	UNINA9910456427103321
Autore	Jackson John N.
Titolo	The Welland Canals and their communities : engineering, industrial, and urban transformation / / John N. Jackson
Pubbl/distr/stampa	Toronto, [Ontario] ; ; Buffalo, [New York] ; ; London, [England] : , : University of Toronto Press, , 1997 ©1997
ISBN	1-282-00937-0 9786612009372 1-4426-8254-X
Descrizione fisica	1 online resource (564 p.)
Disciplina	386.470971338
Soggetti	Cities and towns - Ontario - Welland Canal Region - History Urbanization - Ontario - Welland Canal Region - History Electronic books. Welland Canal (Ont.) History Welland Canal Region (Ont.) Economic conditions
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Frontmatter -- Contents -- Maps and Tables -- Preface -- Introduction: The Welland Canal within the World Experience of Canals -- 1. The First Canal: From Inception to Completion in 1829 -- 2. The First Canal Reaches Lake Erie, and a Second Canal Is Constructed -- 3. The Regional Significance of the Canal for Pioneer Life -- 4. The Canal Settlements by the Early 1850s -- 5. An Expanding Infrastructure of Development -- 6. The Changing Character of the Canal Communities -- 7. Two Lake Ports, and the Eastern and Western Arms of the Canal -- 8. The Inland Centres of Welland, Allanburg, and Port Robinson -- 9. Across the Niagara Escarpment from Thorold to Merritton -- 10. St Catharines: Industrial Giant of the Canal Communities -- 11. The Achievement and Character of the Fourth Canal -- 12. An Interlude in the Process of Urban Growth -- 13. The Emergence of a Linked Urban-Industrial Complex -- 14. The Welland Canal as Part of the St Lawrence Seaway -- 15. The Trading Scene and the Regional Economy -- 16. An

Urban-Industrial Corridor of Development -- 17. The Canals as Heritage and Amenity -- 18. The Reuse of the Abandoned Fourth Canal at Welland -- 19. Towards a Welland Canals Parkway -- Epilogue: The Changing Canal Scene -- Bibliography -- Credits -- Index

## Sommario/riassunto

For over 170 years the Welland Canals have been a major industrial catalyst and an important agent of urban evolution, spawning a series of distinct communities along the length of the canals between Lake Erie and Lake Ontario. Four Welland canals have crossed Southern Ontario's Niagara Peninsula since 1829, and each update fostered a renewed economic expansion. The most recent change came in 1959, when the new St. Lawrence Seaway system opened the canal and the Niagara Peninsula to the Atlantic Ocean. The Welland Canals and Their Communities is an in-depth examination of the history and influence of each canal. It traces the changes over time in engineering elements such as the canal route, its water supply and flow, and its form, including locks, weirs, bridges, and other structures that have successively modified both the landscape and drainage pattern of its regional surroundings. In addition to these marine elements, John N. Jackson looks at the movements of vessels, the changing types of ships that have used the canal, and the economic character of trading flows within and through the canal to provide a detailed portrait of the interaction between transportation and land use at both the local and regional level. The changing canal scene and the evolution, form, and character of the canal communities provide the dual emphasis of Jackson's narrative, which concludes with an appreciation of the canal system and its potential at a time when heritage and tourist concerns rise to the fore across the Niagara Peninsula.

2. Record Nr.	UNINA9910707625303321
Titolo	Ecological sustainability report : Kiowa, Rita Blanca, Black Kettle, and McClellan Creek national grasslands
Pubbl/distr/stampa	[Albuquerque, NM?] : , : U.S. Department of Agriculture, Forest Service, Southwestern Region, , 2012
Edizione	[April 2012 version.]
Descrizione fisica	1 online resource (321 unnumbered pages) : illustrations, maps (some color)
Soggetti	Grasslands - New Mexico - Management Grasslands - Oklahoma - Management Grasslands - Texas - Management Kiowa National Grassland (N.M.) Rita Blanca National Grassland (Okla. and Tex.) Black Kettle National Grassland (Okla. and Tex.) McClellan Creek National Grassland (Tex.)
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from title screen (viewed on October 13, 2016).
Nota di bibliografia	Includes bibliographical references (pages 75-80).
