Sommario/riassunto

Charles Willie and Richard Reddick's *A New Look at Black Families* has introduced thousands of students to the intricacies of the Black family in American society. Using a case study approach, Willie and Reddick show the varieties of the Black family experience and how those experiences vary by socioeconomic status. The sixth edition has been re-organized and updated throughout. The new Part III: Cases Against and for Black Men and Women unites two chapters from previous editions into a cohesive discussion of stereotypes and misunderstandings from both scholars and the mass media.
