CONCLUSION; BIBLIOGRAPHY; INDEX; ABOUT THE AUTHOR
Sommario/riassunto	Why Democracy Needs Public Goods presents a new theoretical perspective on public goods based on a framework of political philosophy. Angela Kallhoff responds to negative narratives on public goods that point out their role in causing market failures, their cost on public finance and in regulation, and their irregular and sometimes negative effects on social interaction. She instead provides a normative approach arguing for their role in supporting democracies at critical points by providing the basis for a public forum through public space and infrastructure, improving social inclusion through
