Sommario/riassunto	Music Education in Your Hands is a textbook for the introductory course in Music Education. Written for future classroom music teachers, the book provides an overview of the music education system , illuminating the many topics that music educators need to know, including technology, teaching methods, curricular evolution, legislation, and a range of societal needs from cultural diversity to evolving tastes in music. It encompasses a broad picture of the

profession, and how the future of music education rests in the hands of  
today's student teachers as they learn how to become advo
