Reflections on crime prevention strategies in Germany

10 Crime prevention in Hungary: why is it so hard to argue for the necessity of a community approach?11 International models of crime prevention; Index

Sommario/riassunto

This book brings together a collection of leading international experts to explore the lessons learnt through implementation and the future directions of crime prevention policies. Through a comparative analysis of developments in crime prevention policies across a number of European countries, contributors address questions such as: How has 'the preventive turn' in crime control policies been implemented in various different countries and what have its implications been? What lessons have been learnt over the ensuing years and what are the major trends influencing the direction of developm
