Sommario/riassunto	"Subterranean Twin Cities is a treasure-a book for the Tom Sawyer in all of us. Greg Brick is one of those few persons with the unique talent

to write expertly about his adventures, bringing readers along with him on hands and knees." -Steve Thayer, author of Saint Mudd and The Weatherman
We tend to send things underground that we are not interested in ever seeing again. Sewage. Garbage. In the past, we have used the underground to age such provisions as cheese and beer. In Subterranean Twin Cities, geologist, historian, and urban speleologist Greg Brick takes us on an adventurous, educational,
