Auden to Richard Hoggart, 7 January 1958. Richard Hoggart has been one of the leading cultural commentators of Sommario/riassunto the last sixty years. He was the first literary critic to take the working

class seriously and to extend the parameters of literary criticism to

include popular culture. Hoggart put the working class on the cultural map. He differentiated between what was offered by the "popular providers" (media, popular fiction, advertisements) and the resilient culture of working-class people themselves. Hoggart's most famous work is the ...
