Sommario/riassunto	Focusing on Qing Dynasty (1644-1911) letter writing, this compendium is an outstanding study of historical Chinese communication. Letter writing is a pivotal yet neglected medium of historical Chinese communication. The epistolary format is key to sinological research. As historical letters have a specific vocabulary and rhetorical structure it is difficult to read them without the supporting apparatus of specialised study. The aim of this compendium is to fill the gap in Chinese studies by providing a bilingual Chinese-English edition of a corpus of Chinese letters, prepared for advanced
