	Sommario/riassunto	Distinguished linguistics scholar Anatoly Liberman set out the frame for this volume in An Analytic Dictionary of English Etymology. Here, Liberman's landmark scholarship lay the groundwork for his forthcoming multivolume analytic dictionary of the English language. A Bibliography of English Etymology is a broadly conceptualized reference tool that provides source materials for etymological research. For each word's etymology, there is a bibliographic entry that lists the word origin's primary sources, specifically, where it was first found in use. Featuring the history of more than 13,000 Eng
