Sommario/riassunto	Over the past few decades, mainline Protestant denominations in North America have been experiencing a significant decline in membership, active participation, and financial contributions. In the midst of this decline, these denominations have been caught up in a variety of controversial religious, ecclesiastical, and social issues—a shift from neo-orthodox to liberal theology, the advent of inclusive liturgical and biblical language, denominational support for often controversial social issues, and heated debates around human sexuality, particularly the place of homosexuals in the church.
