Sommario/riassunto	This terminology collection presents approximately 200 concepts that can be considered the basic vocabulary for the practical teaching of translation. Four languages are included: French, English, Spanish and German. Nearly twenty translation teachers and terminologists from universities in eight countries (Canada, France, Germany, Spain, Switzerland, United Kingdom, United States and Venezuela) defined the concepts and presented them in pedagogical form, with notes and examples. The terms describe specific language acts, the cognitive aspects involved in the translation process, the pr
