Shifts, decline and resurgence of nationalist constructions of the past since 1976; Conclusion; Glossary BibliographyIndex
Sommario/riassunto	Argentina's Partisan Past is a challenging new study about the production, the spread and the use of understandings of national history and identity for political purposes in twentieth-century Argentina. Based on extensive research of primary and published sources, it analyses how nationalist views about what it meant to be Argentine were built into the country's long drawn-out crisis of liberal democracy from the 1930s to the 1980s. Eschewing the notion of any straightforward relationship between cultural customs, ideas and political practices, the study seeks to provide a more nuanced framew
