Sommario/riassunto	Presenting U.S. history as contested interpretations of compelling problems, this text offers a clear set of principles and strategies, together with case studies and ""Mystery Packets"" of documentary materials from key periods in American history, that teachers can use with their students to promote and sustain problem-finding and problem-solving in history and social studies classrooms. Structured to

encourage new attitudes toward history as hands-on inquiry, conflicting interpretation, and myriad uncertainties, the whole point is to create a user-friendly way of teaching history ""as it
