Sommario/riassunto	Muslim-Jewish relations in the United States, Israel, and Europe are tenuous. Jews and Muslims struggle to understand one another and know little about each other's traditions and beliefs. Firestone explains the remarkable similarities and profound differences between Judaism and Islam, the complex history of Jihad, the legal and religious

positions of Jews in the world of Islam, how various expressions of Islam (Sunni, Shi`a, Sufi, Salafi, etc.) regard Jews, the range of Muslim views about Israel, and much more. He addresses these issues and others with candor and integrity, and he writes
