	Sommario/riassunto	This volume, designed with the student reader in mind, is an indispensable blend of key essays in the field with specially

commissioned new material by feminist scholars from the UK and the US. It includes a diversity of texts and feminist approaches, a substantial and very illuminating introduction by the editors, and an annotated list of Further Reading, offering preliminary guidance to the reader approaching the topic of gender and medieval literature for the first time. Works and writers covered include: * Chaucer * Margery Kempe * Christine de Pisan * The Katherine gro
