Sommario/riassunto	Classical material was traditionally used to express colonial authority, but it was also appropriated by imperial subjects and put to new uses. In this collection of essays, international scholars debate the

relationship between the culture of Greece and Rome and the changes that have followed the end of colonial empires. - ;Classical material was traditionally used to express colonial authority, but it was also appropriated by imperial subjects to become first a means of challenging colonialism and then a rich field for creating cultural identities that blend the old and the new. Nobel prize-
