Nota di contenuto	Property in a transformative setting -- Property in the center : the rights paradigm -- Eviction in the rights paradigm -- Eviction in the landlord-tenant law -- Eviction of unlawful occupiers -- Limitations on eviction in other contexts -- Conclusions.
Sommario/riassunto	Having its origins in the process of transformation and land reform that began to take shape in South Africa at the end of the last century, this strikingly original analysis of property starts from deep inside the property regime and not from a distant or abstract perspective on property rules and practices. Focusing on issues of stability and change in a transformative setting and on the role of tradition and legal culture in that context, the book argues that a property regime, including the system of property holdings and the rules and practices that entrench and protect them, tends to ins
