Sommario/riassunto	Transversality is the keyword that permeates the spirit of these thirteen essays spanning almost half a century, from 1965 to 2009. The essays are exploratory and experimental in nature and are meant to be a transversal linkage between phenomenology and East Asian

philosophy. Transversality is the concept that dispels all ethnocentrism, including Eurocentrism. In the globalizing world of multiculturalism, Eurocentric universalism falls far short of being universal but simply parochial at the expense of the non-Western world. Transversality is intercultural, interspecific, interdisciplinary,
