ISBN	0-8147-6340-5 0-8147-6339-1
Descrizione fisica	1 online resource (283 p.)
Collana	Children and youth in America
Altri autori (Persone)	MartenJames Alan
Disciplina	973.7083
Soggetti	Children and war - United States - History - 19th century Children and war - Confederate States of America Electronic books. United States History Civil War, 1861-1865 Children
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Foreword / Steven Mintz -- "Waked up to feel" : defining childhood, debating slavery in antebellum America / Rebecca de Schweinitz -- "Train up a child in the way he should go" : the image of idealized childhood in the slavery debate, 1850-1870 / Elizabeth Kuebler-Wolf -- "What is a person worth at such a time" : New England college students, sectionalism, and secession / Kanisorn Wongsrichanalai -- A "rebel to [his] govt. and to his parents" : the emancipation of Tommy Cave / Thomas F. Curran -- Thrills for children : the youth's companion, the Civil War, and the commercialization of American youth / Paul Ringel -- "Good children die happy" : confronting death during the Civil War / Sean Scott -- Children of the march : Confederate girls and Sherman's Homefront Campaign / Lisa Tendrich Frank -- Love in battle : the meaning and memory of courtships in the Civil War South / Victoria E. Ott -- Caught in the crossfire : African American children and the ideological battle for education in Reconstruction / Troy L. Kickler -- "Free ourselves, but deprived of our children" : freedchildren and their labor after the Civil War / Mary Niall Mitchell -- Reconstructing social obligation : white orphan asylums in post-emancipation Richmond / Catherine A. Jones -- Orphans and Indians :

Pennsylvania's soldiers' orphan schools and the landscape of post war childhood / Judith Geisberg -- Preparing the next generation for massive resistance : the children of the Confederacy, 1955-1965 / J. Vincent Lowery.

Sommario/riassunto

"The Civil War is a much plumbed area of scholarship, so much so that at times it seems there is no further work to be done in the field. However, the experience of children and youth during that tumultuous time remains a relatively unexplored facet of the conflict. Children and Youth during the Civil War Era seeks a deeper investigation into the historical record by and giving voice and context to their struggles and victories during this critical period in American history. Prominent historians and rising scholars explore issues important to both the Civil War era and to the history of children and youth, including the experience of orphans, drummer boys, and young soldiers on the front lines, and even the impact of the war on the games children played in this collection. Each essay places the history of children and youth in the context of the sectional conflict, while in turn shedding new light on the sectional conflict by viewing it through the lens of children and youth. A much needed, multi-faceted historical account, Children and Youth during the Civil War Era touches on some of the most important historiographical issues with which historians of children and youth and of the Civil War home front have grappled over the last few years"--
