Sommario/riassunto	This book represents an odyssey through the career of a thoughtful and serious psychoanalyst. John Klauber, a strong and articulate member of the middle or "independent" group of the British Institute of Psycho-Analysis, was President of the British Psycho-Analytical Society at his untimely death in August 1981. This volume of ten selected papers turns out to be a legacy of his psychoanalytic and personal thinking and feeling. The papers span the twenty years of the 1960's and 1970's. 235 pages.
