Sommario/riassunto	Engaging Teachers makes a deliberate attempt to reclaim the education discourse captured by new right politics and connect it with a radical democratic agenda for schooling. On its agenda are education markets, policy, leadership, professionalism, and communities. Engaging with these is conceived on at least two levels. First, as an invitation to teachers to become involved in reconstructing schooling for socially just purposes and in democratic ways. From this perspective, the politics of engagement is not simply a matter of acquiescence or resistance but is informed by a commitment to genera
