Nota di contenuto	pt. 1. AC best practice -- pt. 2. Corporate strategy and talent management -- pt. 3. International issues and implications.
Sommario/riassunto	Assessment Centres and Global Talent Management focuses on strategies that influence the design of the assessment centre in terms of the competencies being assessed, the exercises that are used and the nature of the event, so that they can deliver what is required. Practical examples and case studies are sprinkled throughout the book. Practitioners will see how science informs good practice; scholars will find the chapters a rich source of ideas for conducting research into emerging issues in the field.
