Sommario/riassunto

This much acclaimed text has been fully updated to incorporate the latest advances in the field. As leading authorities on adult education and training, Elwood Holton and Dick Swanson have revised this edition building on the work of the late Malcolm Knowles. Keeping to the practical format of the last edition, this book is divided into three parts. The first part contains the classic chapters that describe the roots and principles of andragogy, including a new chapter, which presents Knowles' program planning model. The second part focuses on the advancements in
