Where Do We Go from Here?; Bibliography; Index
Sommario/riassunto	Written with refreshing clarity and wit, Political Correctness describes a cultural nonphenomenon brought into being by the desires of neoconservatives. Nostalgic for the simple moral logic of the Cold War, the conservative Right has created an evil empire within and conferred upon its enemies-from multiculturalists to postmodernists and poststructuralists-a McCarthyite agenda that demands action from the high-minded.
