Sommario/riassunto

Portugal is an established member of the European Union, one of the founders of the euro currency and a founder member of NATO. Yet it is an inconspicuous and largely overlooked country on the continent's south-west rim. In the fifteenth- and sixteenth-century Age of Discovery the Portuguese led Europe out of the Mediterranean into the Atlantic and they brought Asia and Europe together. Evidence of their one-time four-continent empire can still be felt, not least in the Portuguese language w...
