Nota di contenuto	BOOK COVER; TITLE; COPYRIGHT; CONTENTS
Sommario/riassunto	Mental health problems among asylum seekers and refugees are becoming a public issue, but awareness of this problem among the mental health community is relatively low. Although advances have been made in the provision of innovative mental health services for asylum seekers and refugees with PTSD, they are not systemized, and not widely known to professionals in the field. A publication offering practical guidelines for the treatment of torture victims and political

refugees does not exist. Broken Spirits aims to bring together the works of the most respected mental health professional
