	Sommario/riassunto	Since the 1980's, metaphor has received much attention in linguistics in general. Within Systemic Functional Linguistics (SFL) the area of 'grammatical metaphor' has become increasingly more important. This volume aims to raise and debate problematic issues in the study of lexico-grammatical metaphor, and to foreground the potential of further study in the field. There is a need to highlight the SFL perspective on metaphor; other traditions focus on lexical aspects, and from cognitive perspectives, while SFL focuses on the grammatical dimension, and socio-functional aspects in the explanation...

	Sommario/riassunto	Examining a number of case studies, including Palestinian, Afghan and Iraqi refugees, David J. Whittaker's book provides a balanced introduction to this very controversial subject.Fuelled by extensive coverage in the media, the issue of asylum seekers and refugees is one of the most talked about subjects in contemporary politics. Whittaker cuts through the emotive language to give an objective introduction to the subject. Asylum Seekers and Refugees in the Contemporary World discusses the international as well as national implications of the issue, and the book looks
