Sommario/riassunto

If we are to believe the media then a war between China and Taiwan is inevitable. Incorporating interviews, archives and original research, this book examines the troubled relationship between China, Taiwan and the US, bringing Taiwanese views on identity politics to the forefront of the discussion. Centering on the primary issues facing Taiwan, China and the US, the book analyzes Taiwan's need to prevent China's rule suffocating their cherished democracy. It questions whether China will pursue military force to achieve political and economic dominance over Taiwan, and how the US pro
