Sommario/riassunto	"If you know and love young children, find a way to read this book. Here you will discover the hidden talents of young children for complexity, design, and tenacity for learning... a wonderful addition to the too-small library of quality books on young children's learning through art." Shirley Brice Heath, Professor Emerita, Stanford University and Professor at Large, Brown University, USA. "This book is unique in giving an in-depth account of the way young children approach drawing at home and at school. It shows the cognitive value of drawing in children's intellectual and emotional deve
